Happy New Year!

2005 Marks Sooner Club's 40th Anniversary!

Sooner Appaloosa Club is celebrating its 40th Anniversary this year. A reunion celebration is scheduled at the Best Western at I44 and Hwy99. Jim has reserved the meeting room for Feb. 26 from 1pm to 3pm. We encourage past members to dig out their photos from past times with the club and submit them to Carol at appy2@tds.net. If you know someone who used to be in the club, invite them yourself since we may not have their current address.

The first Officers of the Sooner Club were:

President: Frank Lake, Muskogee Vice President: Howard Thompson, Shawnee
Secretary: Janice Boatman Shawnee Treasurer: Louann Shackelford, Shawnee

Directors were Gerald Mitchell Checotah, OK; Jerial Tilley, St. Louis, OK; Don Douglas, Tulsa, OK; Lloyd Quisenberry, Oklahoma City, OK; Bill States, Prague, OK; Jim Baldwin, Newalla, OK; Bob Kincaide, Chelsea, OK.

Our first show was August 1, 1965 at Chelsea, Oklahoma and was judged by Al Sherwood of Tulsa, Oklahoma.

Thank you Jim Chronister for your information and for bringing us all together!

Sooner Members Bring Holiday Cheer by Angie McGee

At our annual Christmas Party, our great niece, Bailey, came to help us and have fun. Dan went and picked her up and when she got out of the car she came running to me and asked "Can I be your ELF?"..."of course," I said. After helping me bake brownies, clean house, and put up decorations, she started greeting people as they arrived. She and Katelynn became fast friends and Karissa Cook joined them soon after. When Santa Claus arrived later that evening, all the children took turns and sat on his lap to tell him what they wanted for Christmas. Bailey didn't ask for the usual toy or video game, instead she asked for clothes for her new baby brother and a new pair of shoes. Later that evening I was approached by several people about her and her family. Clint and Tonya were unable to buy Christmas for Bailey and Riley due to the hospital bills from Riley's ICU care. Nadia Loden was so moved that she nominated Bailey and her family for the KRMG Christmas Wish. Two days later, Nadia called me excited and talking so fast I couldn't understand her....KRMG had granted the wish! Tonya called me about 5 seconds later crying and saying thank you thank you. She was totally in shock and awe that someone she didn't know would be so generous.

Then the ball got rolling, Carol called Jim and Donna Chronister as well as a few other members and soon a plan was in the works to have Santa visit Bailey's house with other things the family might need.

Presidents Corner

I hope you all had a wonderful and blessed Christmas. Christmas Day at the Johnson's was pretty quiet since none of the grandkids were here this year. We were very blessed to help a young family have a good Christmas this year. Seeing Christmas through Bailey's eyes reminds me of all Christmas is really about. Happy New Year to each of you. I hope you all are as excited about the Sooner Club this year as I am. This year is a significant one for the Sooner Club as we celebrate the Club's 40th anniversary. Check this newsletter for more information on this event and plan to join us when we get together with current and past members of the Sooner Club. I can't wait to see some the pictures earlier members may have. It's exciting that we move into the future while cherishing our roots.

This year promises more growth and progress for the Club. We will have our second annual stallion auction, and our first futurity foals will be at the October show. We're planning clinics, trail rides, and shows this year, so once again we'll be busy. Be sure to check out the stallions available through our stallion auction. If you find a stallion that meets your breeding requirements it's a win/win situation for you and the Club. Our 2005 board of directors and officers are in place and already working hard for the Club. I ask each member to join us in our efforts this year. Each of you brings gifts and talents to the Club that makes it stronger—and more fun. We are truly only as strong as our members.

Sooner Club Christmas Party

The Sooner Club held its Annual Christmas party at Dan and Angie McGee's house. There was lots of fun, food, and good conversation. Everyone started arriving and soon the tree had many Dirty Santa gifts around it. Katelynn Sokolowski, Karissa Cook and Bailey Osborn were fast friends and were soon found playing in Angie's make up kit while the adults hung out and chatted. There was talk on horses, horse shows, training, breeding, and non horse talk about trucks, trailers, and many other things. We were all delighted to meet new members, Vicki Dederling, her son Zack, and cousin Tiffany Dorsey, as they came to their very first Sooner Club function. Everyone chowed down on a variety of food from chicken strips, chicken wraps, lil smokies, chips and salsa and more, then had yummy goodies like cookies, brownies, and candy for desert.

Santa arrived soon after everyone was done eating and all the children and even a few adults sat on his lap to tell him what they wanted for Christmas. A variety of things were asked for,

Holiday Cheer, continued...

When we arrived at Bailey's house, Santa marched up to the door and knocked. Bailey opened it and was shocked! She let Santa in and proceeded to sit right in his lap while the rest of us filed in. Tonya's eyes filled with tears as she saw everyone. Santa was marvelous as usual and had us all giggling within the first 5 minutes. Bailey got to open the gifts from everyone and then got to show off her baby brother, Riley. Baby clothes, a crib, bed sheets, pots and pans, and many many other needed items were revealed. We all enjoyed visiting with Tonya and Clint while Bailey and Katelynn played in Bailey's room.

Donna and Carol gushed over little Riley (I TOLD you he was cute as a bug's ear!) and Carol seemed quite reluctant to put Riley down for the night, but she conceded to Paul who had a rumble in his stomach. The generosity of everyone involved is tremendous and I want to thank each and every one of you from the bottom of my heart. I know that Tonya and Clint are forever grateful and are just overwhelmed. Tonya tells me again and again to tell everyone Thank You So Much!

Carol tells Donna that it's ok if she keeps the lamp since Jim wasn't able to make the meeting.

Meet the stallions

In an effort to show these wonderful stallions off, we decided to ask each stallion owner to submit a small blurb so that we could tell all of our members about the stallions in the Sooner Stallion Service Auction. Be sure and check these boys out!

OBVIOUSLY MAGIC: Magic stands 15.3 hds. and weighs 1,250 lbs., and has three generations of Black and White behind him. Magic has a ROM in Halter and was a World Qualifier in Halter and Most Colorful. He sires loud foals out of CPO, NC, N and colored mares. Magic sires foals that have potential in halter, western, english pleasure, and hunter/jumper classes and his foals have excellent dispositions. Stud Fee: \$500. \$100 Booking Fee. Live Cover Only. Multiple mare discounts. Live Colored Foal Guaranteed. Limited Breedings Available. Check out our website at www.wildwoodappaloosas.com

MEET JOE BLACK: Meet Joe Black is a 1999 Black Bay who just drips talent, athleticism and beauty. Joe is also extremely quiet and has a personality of gold. He earned his ROM in Most Colorful at Halter in the Midwest as a yearling and while he earned the majority of Halter ROM also as a yearling, it was finished as a young two year old in the Southwest. Joe is a beautiful mover and as a result, he is smooth as silk to ride. Joe is trained in a variety of events, though we will be focusing on Reining and Working Cow Horse in 2006. He will continue to be shown for a few more years as we plan to fully showcase his all-around abilities. Family health issues forced us to stay close to home this year, but watch for Joe to be out in full force in 2005 in the NRHA, ApHC and possibly NRCHA later in the year. He is still quite young and has a huge future ahead of him. We have so much confidence in his ability to perform and to sire, we have put together an incentives program that will continue to grow as Joe and his get grow. His pedigree is full of many of the greats of the ApHC and AQHA. Please visit our website, www.sanddappaloosas.com, for more information, photos and video clips. We will be relocating to SE Missouri prior to the breeding season. Thank you for taking the time to consider our stallion for your fine mares.

CEE IMA COWBOY SHADO: Cowboy has a super disposition and conformation. His foals have great minds and conformation, as well.

STRAWS MIGHTY MAGNUM: Magnum has proven himself as a young stallion in his debut year of showing under the guidance of Roger and Karla Johnson, Runnin Acres L.L.C. His wonderful ability and personality shone through as he swept through the Appaloosa circuit in 2002. He has since been retired to stud after such a wonderful year! Magnum has been bred to a limited number of mares but his foals have ability. He throws size, color and great dispositions, along with pretty heads and exceptional conformation. Expect to see some of them hitting the show ring in 2004.

Meet the Stallions, continued...

ALL ZIP AND SPARKLE

TEN EC SILVER

WILD N COOL

HW MARQUIS

UP BY A TOUCHDOWN

ALL ZIP AND SPARKLE: All Zip And Sparkle is a 5 yr old chestnut/white stallion that stands 16-1 ½ hands. Sired by 5X World Champion All Hands On Zip, Sparkle has inherited the long, sweeping trot and quiet-minded attitude of his daddy. In his 2 year old debut, he placed 1st under all four judges in Hunter Under Saddle, and won the 2 Year Old Hunter Under Saddle Futurity. He earned his ROM in Hunter In Hand Stallions in just his first 3 shows. He also has his ROM in 3 Year Old Hunter Under Saddle. In 2002, Sparkle was third in the nation in Hunter In Hand Stallions. He has been a World Qualifier in 2001, 2002, 2003 and 2004. He has also won multiple circuit championships and reserve championships. Sparkle has winnings and national points in Open, Non-Pro and Novice Non-Pro Hunter Under Saddle and Hunt Seat Equitation. He also has winnings and several placings in Hunter Paces throughout New England. Sparkle is passing his size, super temperament and wonderful movement on to his babies too.

TEN EC SILVER: He is a 1998 few spot leopard. He has sired all leopards to date, and since he is a few spot he should get all color even if they aren't all leopards down the road. Silver has a great disposition and is wonderful to work around. He is a natural athlete and can really use himself. He has been shown in halter and done quite well, winning most. He has a beautiful lope that you could die for, but he can absolutely fly. My goal is to show him in pleasure and run barrels too. He has the temperament to do both with no trouble. He is currently learning the barrel pattern. He can do a slow lope then run and slow right back down afterwards. He is easy to get along with, an example is: he can be clipped without a halter or anything on him and he couldn't care less. His foals are big and they are willing and easy to handle just like dad. He would be an excellent choice. We will send semen anytime of year the mare owner wants it.

WILD N COOL: Freedom Farms Welcomes Wild N Cool. Sooner members, Nadia Loden and Dedra Tiger, are also partners in Freedom Farms, a small horse operation in Broken Arrow, OK. In November, they had the good fortune to acquire the bay, homozygous stallion, Wild N Cool. He is sired by Coolest Hustler x Coolest, out of Miss Kitty West x Wild West. Offered to the pair by Karen Craighead of Missouri and Kim Hartman of Oregon, the offer was too great to pass up. His arrival at the farm was an exciting event, for both horses and people. Since November, Wild N Cool, also known as Bugs, has been settling in, becoming fast friends with Welsh pony, Rosie, who occupies the paddock beside him. Bugs is well behaved and gentlemanly, which is a blessing to Nadia and Dedra. The rest of the winter and early spring will be taken up with breeding to a few outside mares. Bugs will also be shown later in 2005, at Halter, Hunter in Hand and Most Colorful. Freedom Farms invites you to take a look at this fine stallion, who has the best of ApHC and AQHA bloodlines. Their web address is www.freedom-farms.com. Wild N Cool has been donated to the 2005 Sooner and MAHA SSAs.

HW MARQUIS: HW Marquis is standing his second season in 2005. We are certain with his tremendous movement and absolutely phenomenal temperament, Marquis will carry on in his offspring.

UP BY A TOUCHDOWN: Up By A Touchdown is standing his second season in 2005. With the recent CPO Rule Change and the apprehension felt by many ApHC breeders, why take a chance out crossing your halter mares? Where else can you find this kind of contemporary AQHA halter bloodlines with ApHC papers? Crossed with regular papered ApHC mares, there is no risk of breeding a baby you can't show even if the foal has to be CPO'd. The added bonus is a foal with all this contemporary AQHA halter blood that is sure to put you in the winner's circle!

THANK YOU STALLION OWNERS FOR YOUR GRACIOUS DONATIONS!

Christmas Party, continued...

From little things like video and computer games to cars, trucks, and horse trailers (of course). When Billy Walker sat on Santa's lap he asked for a new 2005 F250 Ford with all the bells and whistles, and it was then that we were able to present him with his Lifetime Achievement award we were unable to give him at the annual meeting. Then Santa departed with a "HO HO HO!" and the Dirty Santa gift exchange commenced. There seemed to be a lot of fuss over a wreath made with racing plates and Pat Gent guarded her prize with conviction till young member Zach decided that he wanted it for himself. After the gift exchange, the young Sooners went outside to play tag while the adults conversated a while longer. Everyone had a great time and I look forward to seeing everyone in the new year! Thank you everyone for coming! And thank you Santa for the visit!

The Brick

Read this line very slowly and let it sink in....If God brings you to it, He will bring you through it.

A young and successful executive was traveling down a neighborhood street, going a bit too fast in his new Jaguar. He was watching for kids darting out from between parked cars and slowed down when he thought he saw something. As his car passed, no children appeared.

Instead, a brick smashed into the Jag's side door! He slammed on the brakes and backed the Jag back to the spot where the brick had been thrown. The angry driver then jumped out of the car, grabbed the nearest kid and pushed him up against a parked car shouting,

"What was that all about and who are you? Just what the heck are you doing? That's a new car and that brick you threw is going to cost a lot of money. Why did you do it?"

The young boy was apologetic. "Please, mister...please, I'm sorry but I didn't know what else to do," He pleaded. "I threw the brick because no one else would stop..." With tears dripping down his face and off his chin, the youth pointed to a spot just around a parked car.

"It's my brother," he said. "He rolled off the curb and fell out of his wheelchair and I can't lift him up." Now sobbing, the boy asked the stunned executive, "Would you please help me get him back into his wheelchair? He's hurt and he's too heavy for me."

Moved beyond words, the driver tried to swallow the rapidly swelling lump in his throat. He hurriedly lifted the handicapped boy back into the wheelchair, then took out a linen handkerchief and dabbed at the fresh scrapes and cuts. A quick look told him everything was going to be okay.

"Thank you and may God bless you," the grateful child told the stranger.

Too shook up for words, the man simply watched the boy push his wheelchair-bound brother down the sidewalk toward their home. It was a long, slow walk back to the Jaguar. The damage was very noticeable, but the driver never bothered to repair the dented side door. He kept the dent there to remind him of this message:

"Don't go through life so fast that someone has to throw a brick at you to get your attention!"

God whispers in our souls and speaks to our hearts. Sometimes when we don't have time to listen, He has to throw a brick at us.

It's our choice to listen or not.

Editors Note: I received this in an email chain. It really made me think and I hope it has the same effect on everyone else who reads it. -- Angie

Charley and Vie Bottger listen as the kids tell Santa what they would like for Christmas. Charley asked Santa for spots on all his babies this year.

Tiffany Dorsey tells Santa that she wants a new Mustang for Christmas, with leather interior.

Chipper is festive in his Santa hat and Xmas lights' collar.
