## Introducing Dedra Tiger, New Member & Web Master

As one of the newest members of SApHC, I believe that members of an organization should be as active as possible. Therefore, I offered to take over the task of webmaster for our club web site. My son-in-law, Brian (another new, yet shy member), and I own MTH Hosting & Design, a web hosting and design company in Bixby, OK, and offered the re-design, maintenance, hosting and domain name fee with this belief in mind. (Insider info: the MTH in our company name stands for "Mane, Tail, Hooves"! We used MTH, so as not to seem biased toward horses, making it seem that we catered to the creation of horse web site, exclusively.)

As a teenager and a relative, by marriage, I worked on Allen Ranch and fell in love with horses. In the beginning, the ranch paid for itself by selling well broke horses for children and novice riders. Ted Allen would go to the Bristow sale and bring back a semi load of horses - 30 to 50 head at a time. Since there were so many of us, 9 in all, he would divide up each load between all the kids. The faster we turned our horses into rideable stock, the more dividends we could expect from the ranch. (I got my first horse and all my tack that way.) One of the biggest dividends was the horse knowledge I gained from day-to-day work on the ranch.

After marriage, I was away from horses for years until my twins, Nadia and Sophia, became involved with a paint horse breeding farm in our area. Horses vicariously re-entered my life! Several years later, Nadia and Brian purchased Dunitforthelasttime (Scooby) from Easter Creek Farms, in LA. They boarded Scooby and Nadia's Thoroughbred, Soda, at the race horse farm where Nadia was employed. At this farm, the owner also bred Appaloosas and had some of the finest Appy stock I had ever seen, to that point. His mare, Minus A Freckle, shot down my old belief about "crazy Appys". Freckles, a big liver spotted Leopard, was one of the best working

ranch horses I had ever ridden! \

After finding the farm in Bixby and moving the horses on the place, I came to live with Nadia and Brian, helping them wherever I could. I loved to work with the horses on the ground, cleaning stalls, feeding - any task that needed doing! Annie, a Thoroughbred mare, was a lease horse that joined the troupe, mid-year. Late in 2002, Nadia found Confirmed Approval (Mack), bred by Rubys Ranch, in MO. Somehow, Nadia came up with the money to buy him and Mack became a part of the ever-growing family. (We kid Nadia that she, like Will Rogers, "Never met a horse she didn't like!")

Nadia was in need of a web site to display her horses, so a farm name was needed. Since half of the herd were "rescue" horses, the "Freedom Farms" name seemed a natural. Brian purchased the domain name as a Christmas present and I went to work on the site. Working with the horses was a part of our daily routine and continues to be a part of it today.

In April, 2003, I purchased Annie (TB) from her owner, whose husband was being transferred. But the "grandhorses", Mack and Scooby, are special. When I am stuck for an idea or frustrated with HTML coding, I go to the barn for a break. Being out there with our "herd" is relaxing and often humorous! Currently, I am working with Scooby, under saddle, in an effort to discover this colt's area of interest. For the most part, Nadia works with Mack, in hand. It is very satisfying to see these guys' progress and our efforts be rewarded with each task mastered.

So, here we sit, with a pasture of Appaloosas and Thoroughbreds, surrounded by AQHA neighbors. If it wasn't bad enough having "crazy" Appys, we also have those "crazy" Thoroughbreds and ride English, to boot. But we're winning them over, one person at a time!

## Hilda Coleman Wins Stallion

The moment arrived at the June 7th show to draw the winner of the stallion IMA CASSCOLENA. We shook up the entries, then Tiffany drew—and the winner is—Hilda Coleman! As you all know, Emily's Appaloosa gelding died early this year from a colic episode. Emily was very excited to have another Appaloosa. Received the following from Hilda last week.

*"Thought you all would like to know that Curly Bill starts his new carrier this week! He is at Runny Mead Farms and will get a new set of shoes and his teeth floated and then it's under saddle and who knows from there. . . Emily and I are looking forward to getting started. It has been a busy summer for us so far and they finally have room for him. Sean is quite confident that he is a reiner at heart. We are not gelding him right away so if anyone is needing any mare breed now is the time to cash in on his wonderful breeding at a special club price! Contact me for details....I want to Thank Billy Walker for his patience and promise him that we will love him and take care of him, I am not real sure he wanted him to go... THANKS BILLY! Hilda & Emily"*

### New Arrivals

Gerald Lukacik sent this picture of his only foal this year, a filly. Her pending registration name is Miffulsion, her barn name is Maggie. She was born on April 19 at about 4 a.m. Sire: Mifillena Miner (AQHA), a grandsons of Rugged Lark, and his oldest mare Anniething Goes (ApHC) who placed 10th at the World Show in 1989 in Jr. Hunter Under Saddle.

Jim & Donna Chronister announce the arrival of this pretty girl by Troubled Memories, out of Turf Maid, aka "Minnie. Jim proudly says "looks just like her mother!"

Born May 26, 2003, this pretty filly is owned by Pat Gent. Sire is Frankie Wapenstein (ApHC), owned by Sherri & George Basehoar. Dam is Northern Camp, a Thoroughbred mare owned by Pat Gent. A beautiful girl, and look at that blanket!

### Member News

Gerald Lukacik joined our Club late last year. He sent us the photo to the left of his newest filly. Gerald currently lives in Illinois. He has bought a place near Oktaha that he hopes to move into next year. The real estate agent who helped him find the place in Oktaha rents Gerald's fields where he runs some cattle and makes hay. The 40x60x16 hay barn was still half full of last years second cutting hay (the small square bales) when Gerald was down before Memorial Day. If any of the members needs hay, Gerald suggests they contact Edmond Synar at the Eastern Oklahoma Land & Cattle Co. in Muskogee for details. Gerald plans to continue making hay for sale after he moves down next year. He has the first week of the Youth National off, and may make a one day visit there this year.

Jim Chronister's 2-yr old filly Best Hazzard, by Hazzard County (AQHC) and out of Turf Maid (ApHC), won 4 points in Hunter in Hand, and won all four Jr. Trail at the Broken Arrow ApHC show at Columbia, MO. This young lady is having a great season.

Our thoughts and prayers are with Victoria Ennis, who has had an aortic valve replacement operation. We all wish her a speedy and complete recovery!

Several of our members have new babies this year. Check out the photos I've been receiving. 2003 has been a spotted spring!

### President's Corner

Another busy couple of months for the Sooner ApHC! Our June show was hectic, and had its exciting moments. We had more excitement than we needed when "Libby", a mare owned by Jim and Donna Chronister, became ill at the barn Friday night. I ended up calling them at midnight, and we were on the phone arranging for a vet. Luckily, we got her to the vet in time, and she's recovered completely. In fact, I hear that next year we'll see a little "Libby" running around.

Amazingly enough, Jim and Donna were at the show bright and early Saturday morning. None of us had much sleep, but everything went well. Thanks to everyone who helped with the

show to make it a success, and a really big thanks to everyone who came to show with us.

A special thanks to Brenna Brawner's grandparents who helped at the announcer's stand and the gate most of the day. Also thanks to Ashley ?, who was unable to show, but asked to be allowed to help as a ring steward. These three asked if it was alright for them to help—my response was a heartfelt "Yes!". They were among the day's many bright spots.

For those at the show, we were a few horses shy of the standard number required for pointing the show. I've sent the show results in to ApHC and asked that they point the show as an exception,

since our halter classes had 4-6 horses in them. Still waiting for their response—will keep you posted.

We got together at Blue Creek Cove for a trail ride on Sunday, June 22nd. A beautiful day, good horses, good company, good food! What an enjoyable event for the Club members. Check out the photos on p. ? From the trail ride.

We have several new members this year. One, Dedra Tiger, is taking over as our webmaster. Keep visiting the Club's web site—the new look will soon be unveiled.

*Carol*

## What is the Sooner Appaloosa Horse Club?

The Sooner Appaloosa Horse Club, Inc., associated with the Appaloosa Horse Club, Inc., is a regional club whose purpose is **“To promote interest in the breed in the area of membership”**. We are a group of people from different backgrounds, in different professions, brought together by our love of the Appaloosa horse. If you share our love of the breed, please join us in our goal to promote the Appaloosa (and have fun in the process!).
