October Show, another success!!

The Fall show was an extremely busy one. Several people started showing up on Friday and we had numerous repeat exhibitors and several new ones, some coming as far away as Wisconsin! The skies were overcast during the day leaving the weather quite cool and comfortable, to most that is! The main stalling barn was nearly full and we all had lots of good company! We had several compliments on the facility and we thank Payne County for their great service. Everyone especially enjoyed the new halogen lights in the arena. The judges did a fantastic job of keeping the show moving and everyone enjoyed Jim's banter over the P.A. system. The hospitality room again was a big hit! Thank you to Vie Bottger for keeping the videos running! The Silent Auction went off without a hitch and already we have donations for the next one to be held in June. We want to thank all you exhibitors who helped make our show a successful one. We hope to see you all back again in June. Another thank you to those of you who came in and worked your tail off to keep things running smoothly. Kudos to you all!

Calling all Stallions!!

By Nadia Loden

It's time again for Stallion Nominations for the 2005 breeding season. Last year we had 38 wonderful stallions donated with 5 selling. This is great for the 1st service auction in years! I would like to see more stallions being donated and selling this year! Just the same as last year, every stallion donated will get their name on the website with their own page telling all about them with as many pictures as you'd like. We also will provide a link to your website and/or email address and all your contact information.

We have not set a closing period of stallion nomination forms nor have we set a date for the service auction. However, both should be decided shortly. The nomination forms for the Stallions should be arriving on the website shortly. The mare nomination forms for mares that have been bred to selling stallions will be available shortly as well. Foal nomination forms will be on the website in December just in time for the arrival of your futurity baby. More information about the Open Futurity Classes will be up on the website in December as well.

I look forward to another successful SSA and I really look forward to our first Futurity in October 2005! If I can help anyone in any way please let me know!

If you need more information about the SSA please email Nadia Loden at futurity@sooner-aphc.com or call her at 918-251-8584.

Presidents Corner

As I drove to work this morning, I noticed a true change of color in the trees, so I guess Fall is definitely here. We're coming to the close of a busy, successful year for the Sooner Club. We've put on two successful shows, numerous clinics, and just had our Fall trail ride.

It's been a fun, hectic year for us, but there's little time to rest. We've just turned in our October show results to ApHC and are in the process of identifying our year-end award winners. We're already planning clinics and shows for 2005. The 2005 Stallion Auction is in the works. Our annual meeting and elections are scheduled for November 14th.

We're coming in to a month where our thoughts turn to thanks. Both this Club and I have much to be grateful for. We have weathered hard times, but are now making some real progress. I owe my officers and board many thanks for their efforts and support this year. Please take a moment and let these people know you appreciate them, too. Dedra Tiger has transformed our web site into something really special, and maintains it with a passion. Additionally, she cheerfully shouldered the job of Show Manager for both shows. She did an amazing job, contributing greatly to the success of these shows. Angie McGee has served as Secretary / Treasurer, keeping our records, schedules and finances straight. She's helped with clinics, and worked both shows, helping in the show office and with the show records and reports. Nadia Loden has spear-headed the start-up of our Stallion Auction, and helped work and promote our shows and Club. Our board members have worked the shows, supported the clinics, and provided support and guidance for the Club. A special thanks goes to our announcer, Jim Chronister, who contributes to the fun and efficiency of each show. Each of you is special to me and to this Club. Thanks to our new members who've brought new energy and ideas into the Club. Tony and Denise Cook were looking at how they could help the Club as soon as they joined. Tony doesn't really ride, but absolutely knows his way around a trailer. Watch for a clinic on trailer maintenance and repair next year. It's exciting to see the progress we've made this year. I'm really looking forward to next year.

I hope to see each of you at our annual meeting November 14th. We'll be electing officers and board members. We'll also present our 2004 awards. If you are not able to attend the meeting, please use the enclosed ballot to vote. Also, I ask that each of you explore how you can help and support the Club. Keep in mind that "many hands make a light load". We have good officers and board members, and they've worked hard for the Club. Please actively support your officers and board during the coming year.

Carol

You Know You're At a Horse Show When...

- You have two small bags packed and your horse has a trunk of clothes and half a pickup load of equipment.
- You run a comb through your hair once in a weekend and call it good and then spend 2 hours a day banding your horse's mane and combing out his tail.
- Your horse smells better than you.
- Your horse dresses better than you.
- Your horse eats better than you.
- Your horse gets more sleep than you.
- People know your horse's name, his parents' names, his show record, etc, but all they know about you is "Aren't you the person who owns (insert your horse's name)?"
- You spend hundreds of dollars on shavings, stall rent, entry fees, etc. and then can't decide whether you should buy a large or small lemonade for yourself.
- You have a pocket calculator in your back pocket to figure points.
- You can sprain your ankle, break 3 fingernails, get a mild concussion, sprain your back, have someone back into your truck, get food poisoning, heatstroke, sunburn, lose your dog, lose your kid, and still call it a successful weekend because your horse won his class.

Sooner Club at the KS State Fair by Carol Johnson

Angie McGee, Nadia Loden, and Carol Johnson plotted and planned to attend the Kansas State Fair Appaloosa Show. Angie and Nadia had attended this show in 2003 and had a great time. The week before the show, Angie's vehicles went on the war path, and she wasn't able to join us. On Wednesday, Carol loaded Chance and Shiloh, then went to Nadia's to pick up Mack. Mack loaded well (after checking out Chance), and we were off. After a long drive, we reached Hutchinson, KS. Had difficulties finding the livestock inspection area, but with the help of our cell phones, managed to find it. (*What did we do before cell phones?!*) Got to the Fair Grounds between 1:30 and 2:00, and started to settle in. I finally met Lydia Rostine when we checked in after an email acquaintance over the last year. She and the rest of the Kansas Club show staff were great! We got the horses settled and our gear into the tack room (how did we get it all in the trailer?). Later that evening, Pat Gent arrived with her weanling stallion Faroh. He's growing up fast and definitely catches your eye!

Between exercising the horses, grooming them, and generally getting them ready to show, we were up most of Wednesday night. We got a few hours of sleep, and then it was show time. Shiloh and Chance both competed in Hunter in Hand, which was scheduled first at the show. Shiloh did really well. Then it was time to take Chance in. Amy Gent was holding Shiloh for me while Chance and I did the HIH pattern. He decided to give the class a special touch as we started the first leg of the trot triangle, got away from Amy, and cruised the arena. Amazingly enough, he took 1st under both judges, getting his 1st National Point in HIH. Nadia claims it's because the judges got to see ALL his moves. Pat took Faroh into the HIH – Weanlings class, where he placed 1st. He went around the pattern like a pro. That baby can move! She also put him in Most Colorful where he placed 6th under one judge. Nadia showed Mack in Non-Pro Stallions where he placed 2nd and 3rd out of 4 horses, and in Open Stallions where he placed 2nd of 3 horses under both judges.

As you can see, the Sooner contingent did well in Kansas. I think the show went well for them, too. They had enough horses that they were still doing halter classes at noon. There was lots of color on the grounds, too. It really LOOKED like an Appaloosa show. Their Most Colorful class had 13-14 entries, with all sorts of color patterns represented. There were leopards, near leopards, blankets, snow caps, and the colors included black, bay, palomino, buckskin. I really enjoyed this class. Actually, I really enjoyed the show – nice horses, nice people, and I wasn't working the show. Does it get any better than this?

Sooner Club Fall Trail Ride

by Carol Johnson

The previous Saturday, we were all working frenetically at the Fall Show. On October 16, the day proved to be a beautiful, perfect Fall day: clear, moderate temperature, minimal wind. At 1:00 Saturday afternoon, we gathered at Blue Creek Cove at Oologah Lake, for a trail ride. What a difference a week makes! Paul and I arrived with Snip and Chance. Jim and Donna came with Hazel and Rebel. Denise Cook called for directions, and she and Tony arrived a little later with her horse Sam. We also had a guest, Miranda Eck and her Palomino. Dedra Tiger, Sophia and Katelynn Sokolowski joined us, as well.

Angie Evans had a Girl Scout campout the same weekend as our trail ride. We all missed Angie and Shane, and their great camp cooking. However, we grilled bratwurst and polish sausages and heated chili. With chips, potato salad, and brownies, we had lunch in a beautiful setting. Then it was time to ride. Jim led out on Hazel, and we were off. Denise was a little nervous since this was her first trail ride. She had a good ride, saying "I'm really having fun!" Everyone else also had a good ride. Donna and Rebel pretty much showed us how it should be done, as did Paul and Snip. Chance did well, but was full of himself on the way back. We ended up doing a very collected, lateral trot for a while. Wish I had thought to turn him and work him the other way! He settled down once he got to be the lead horse. I guess he thought it was only fair since he was the end horse on the way out.

Back at the camp site, we found that Leslie, Ashlie and Nick had joined us. Wonderful folks had brought more food (hobo stew, I think), and our appetites were up to it! They also had a large, spotted critter with them, almost as big as a horse. Okay, I think it was a Harlequin Great Dane. I didn't catch Chance's first expression when he saw the dog on film, but still got some good pictures when he checked the dog out.

Denise's horse Sam is registered as a non-characteristic Appaloosa. Of course, he was registered when he was a foal. He now has sclera, mottled skin, striped hooves, and white hairs throughout his coat. After the ride, Donna and I cleaned up some of the sweat marks and worked with Denise to get the photos she'll need to advance him to his regular papers. We're looking forward to seeing this pair at future shows!

Katelynn convinced Paul she needed to ride and was soon on Snip. She made sure I noticed how well she was sitting the saddle. I was surprised how much she remembered from our clinic in the Spring! Sophia rode English for the first time when she tried out Paul's saddle. I don't think she felt truly secure, but was game and rode him around a little bit. Before we left, Dedra got a chance to ride Snip, as well. They had a good time wandering close to the camp. As the afternoon came to an end, we loaded up and headed home. What a great way to spend a beautiful afternoon!

New member, Denise Cook and her new horse Sam, don't they make a cute couple?!

Chance takes a good hard look at Leslie Chapman's great dane. "He's got more spots than ME!"

Visitor Miranda Eck and her Palomino, Cody, are ready to ride.

Candidate Biographies

Carol Johnson – President

I've been drawn to Appaloosas since I was a child. As an adult, I was lucky enough to have Babe (JML Barb's Babe) come into my life. She taught me many things and confirmed my childhood attraction to the Appaloosa. My two-year old Shiloh is her first and only colt. My horses and the horse people I've known over the years have added much joy, beauty, and yes, some aggravation, to my life. I've served as Sooner ApHC President for the last three years. With your help and support, the Club has moved forward, energized by new and old members. I very much want to see the Sooner Appaloosa Club continue to grow and succeed. We've had a busy and successful year in 2004. I want to see us get together more as a Club and offer activities our children and grandchildren can enjoy and learn from. I would be honored to serve as your President again in 2005.

Dedra Tiger – Vice President

2004 has been a wonderful and exciting year for Sooner ApHC. We have seen growth in membership and revenue. Some old fences were mended and old debts were paid. As your Vice President, I have had the pleasure of getting to know many of you and work, side by side, with you. I am humbled at your praise for the accomplishments with the 2004 shows, which were a joy and a challenge for me. Yes, we worked our backsides off, but I, personally, had a ball. I'm NOT saying I wasn't dead tired, but the effort was worth it, to me. The positive impression left on each of our exhibitors was gratifying and word of Sooner shows is getting out. The June, 2005, show looks even larger than was June, 2004. Our Youth Fund came into being due to the financial success of these shows. The Youth Fund and financial stability were a big ticket items, for me. Together, we can make the 2005 shows even more successful!

At this time, last year, I stated that, "As your 2004 Vice President, I want to be an agent of healing and renewal for SApHC." It is my sincere hope I have fulfilled this aspiration. As your 2005 Vice President, I will, again, work as a liaison between all of you and the President. It is my job to assist the President, in any way, and work with the various committees, as well. I intend to keep us focused on the primary goals of our club: to promote the Appaloosa breed and increase our membership. As your fellow club member, I am at your disposal. Whether you would like to bounce an idea off someone or have a gripe to air, I will be there with a listening ear and soft shoulder.

As your candidate for Vice President, I pledge my talents as webmaster and experience as a former Vice President in other organizations, for the promotion and growth of our club. With 15 years as a Compliance Manager in the trucking industry, I pledge my thick skin and ability to cope with fast paced, difficult situations. All I ask of this membership is the willingness to work as a group. Thank you, in advance, for the opportunity and honor to serve you and this club. I would appreciate your vote for the office of 2005 Vice President.

Denise Cook - Secretary/Treasurer

Denise and her family are new to the Sooner Club. She just bought an Appaloosa gelding, Sam, who is NC registered. Carol has been helping her advance his papers now that he is colored up so that Denise can show Sam at our shows. Denise and her husband Tony has been quick to support the club and has attended several functions and help out where needed.

Gerry Lukacik – Board Member

I actually joined Sooner a little over a year ago before I moved here to Oklahoma. I spent almost 31 years with UPS before taking advantage of the early retirement option. Now I can play with the horses full time! I started out with my first Appaloosa gelding in 1974, and the first one lead to another, then another, then another, etc. I acquired my first AQHA mare in 1998, and for a number of years, she remained the only one except for her yearly foals. Just recently I started added more Quarters, and came home from the recent El Reno sale with 2 weanling AQHA fillies. Still a long ways from getting everything set up like I want to here at the "new" place, and may need to spend a full 12 months here before I finalize all my plans. After the heavy rains in May and June, I now know there are a few places where I don't want to build anything new. Do hope to have enough things in place to get out and do a little showing next year. Got to meet many of the Sooner members for the first time at the fall show.

Nadia Loden – Board Member

I'm 21 and new to both the Appaloosa breed and the Sooner Club. Brian, my husband 25. I'm a "stay at home mom" for the horses and cats. Brian is the smart one; he's a Network Admin for Tulsa Tech. He's not really into horses as much as I am, but sometimes I think he'd like to be. We got into Appaloosas by accident (not a bad one, but a good one) in April of 2001 with Scooby (reg name Dunitforthelasttime). Brian. We bought Mack (Confirmed Approval) in December of last year. I loved Mack because of his big hips and his cute little Impressive head. I really enjoy just spending time with all the horses. Since joining the Sooner Club, I've "pitched in" and helped in any way I can. I am on the 2004 Show Committee, the 2003 Year End Awards Committee, and the Stallion Auction committee. I look forward to helping the Sooner Club grow over the next year, and would appreciate your vote for board member.

Leslie Chapman Board Member

Hi ya Appy People. My name is Leslie Chapman, Chapman Versatility Horses; I am on of your board members for the Sooner Appaloosa Horse Club. I have been a member of the Appaloosa Horse Club for over 30 years, Oklahoma Appaloosa Club off and on for 12 year, and the Sooner Appaloosa Club for almost 10 years. I have been involved with Appaloosas all my life. I have been involved with The Breed of Appaloosas for over thirty years. I have shown, raised, and trained appaloosas. It started out with my parents so blame them for getting me hooked with this beautiful, versatile, and very smart horse with the spots and we are not talking about paints either. I have shown horses in horse clubs, 4H, and FFA. My children now participate in 4H and FFA programs. Ashlie, David, and Nicholas have been showing horses since they were small. I have been to the World Show and shown against Dave Parlier in the open class weanlings. I have trained some horses that have been proven performers, but have not been able to for the last 4 years for medical reasons. My daughter and I are going to work as partners and help others with their horses. I am graduated from Roger State University with an associates Horse and Ranch management degree. I feel the Sooner ApHC needs to meet the needs of Appaloosa horse owners in the Green Country area and have more activities for families. I plan to be active in our youth program. I want to see us continue to reach out to members who cannot attend meetings and events through the Club's newsletter. I want to see us put on shows this next year, and see more Club members volunteering to help with the many tasks necessary to make a show successful. We all need to work together so that each of us can switch from worker to exhibitor or groom as necessary. Reach me by phone just calling 918-593-2029, but in a pinch call my husband 1-785-587-7491 or email me at appy2us@yahoo.com. It may take me a couple of days to retrieve, but I will respond.

Angie Evans – Board Member

Angie has been a member of the Club for several years. She and Shane have helped at shows at other Club events. Angie has been a board member for the Club this last year, and has served as a board member in the past. “I want to see the Club grow once again as it has in the past. We can make a lot of fun things happen as long as we all work together!”

Billy Walker – Board Member

Billy is part Chickasaw and proud of it. He worked in South America for Unit Rig. Jim Chronister remembers the first time he saw Billy. “He was leading a black & white stallion - Colida Wins Again - that was bouncing around and cutting up. It never phased Billy. He just kept a hold of him and showed him.” Billy is the patriarch of the family of two boys (Tandy & Walt) and a daughter Wendy (Tiffany's mom). His wife Barbara manages Bee Line furniture on Highway 75 and is a saint to put up with all the horse people. Also from Jim: “Billy does like to talk and is always ready to help the kids (anyone's kids). A staunch supporter of the breed he has never failed to step to the plate when needed. I am proud to call Billy Walker a friend.”
