President's Corner

Our May-June newsletter reported on the careers and passing of three of our members' great mares - Wanna Be Brassy, Just-A-Chip and MS Doc Step. These articles let us both share in the members' loss and appreciate what gifts of joy, accomplishment and companionship these mares brought into their lives. Reading these articles brought back the loss of some of our horses, especially Babe. It made me reflect on our journey with our horses and why we do this? Why not do something else and avoid these heart wrenching losses? I thought of that nicker that greets you when you come to the barn, the peace of grooming your horse (or even cleaning their stalls), the thrill as you grow together and have those great moments that lead to success, the pleasure of sharing your joy in your horse with others – and I had my answer. We might have healthier bank accounts without our horses, but our lives would be so much poorer. I encourage everyone to take a moment to appreciate that special horse in your life. What wonderful gifts they share with us. Please keep Ann Jentz, Carla Peacock and Martha Swartz and their special mares in your prayers.

We're already into July. This has been a busy year so far, and is continuing in the same vein.. Congratulations to everyone in their efforts with their horses and other critters. Check this newsletter for articles on a couple of our youth. Kaylee Sullivan and her mare Silky are having a very good year as they compete in 4H. We expect to see them at the youth team events at the Reichert. Katelynn Sokolowski is now involved in rabbits as well as horses and is doing very well with those rabbits. Notice that a couple of her rabbits are spotted, tying everything back to Appaloosas, correct?

The Appaloosa Celebration show at the Reichert Celebration is just around the corner. We're in the final stages of preparing for this show. We are so excited about this show. We're hearing from a number of folks who are as excited as we are. We've had some area artists donate their talent for special awards at the show – some info is included in this issue. It promises to be truly fun show for all of us. A LOT of work, but lots of fun as well. Whether you show, volunteer, or just come to watch, we hope to see you at this great venue to showcase our horses outside a regular breed venue. If you can volunteer some time, please contact Dedra Tiger, our VP and show manager (contact info in this newsletter). Note that we'll also be covering the ApHC booth during the NSBA show again this year, so we can use volunteers for more than just the show itself.

In the midst of the all the shows and preparations for those, we're also working our regular lives, preparing for first Sooner Stallion Stakes event at the Oklahoma City State Fair, planning for participation in the Hooves for the Cure ride in October, getting our hay in, starting our youngsters, etc. Sooner is already starting to look towards and plan for 2010. We have several ideas / projects in the planning stages. Be sure to get with an officer or BOD member if you have something in mind that Sooner could add to the mix for next year. As examples, we're looking at hosting a dressage schooling show and a 4H-open show next year. Plans aren't final yet, but both are on the table. Other members are checking into other open show ideas. Sooner's energy level is definitely up there and looking towards the future. Exciting times for all of us.

If you're just joining Sooner, welcome! If you've been a member for a while, but not active, think about jumping into the water with us <G>. This is a small club, but active and vital. In many ways, it and the members can become part of your extended family. I invite you to join us as we share our love for horses in general, the Appaloosa horse in particular, and as we promote both vigorously.

Welcome To Oklahoma!

Editor Gerry and Marian Alton found out that Sooner members, Don and Karen Marr, were not kidding when they kept insisting that their last Forty One JJ foal was Gerry and Marian's. Don and Karen made the trip from Scottsburg, Indiana, and brought along "Gracie" (JJS Prissy Miss, pending, pictured at right). They spent the night up in Claremore before making the morning trip down to Oktaha where "Gracie" will be staying.

"Gracie" will be co-owned by both Editor Gerry and Marian Alton, so who knows what this filly will be trained for, or asked to do. All we know is, look what happens when Gerry and Marian work together on this Sooner newsletter.

Gerry and Marian have both run thank you ads to the Marrs, for their generosity, in this issue.

Last Issue Was Largest Issue!

The May/June 2009 issue of Sooner News was the largest one yet, at 76 pages from cover to cover. Some other high numbers reported in that issue were 30 stallions listed as participating in the Sooner Super Stallion Stakes, as well as 23 new Sooner member foals. Sooner continues to grow!

Color In That Map!

Realistically, we'd like to think that all of our out-of-state members will continue to remain paid up members, but we will understand if they don't, especially during these pressing times. However, it is fun to watch this map as it continues to grow. Over the past several weeks, through the efforts of Sooner member Sharon Marshall, we picked up a new member from Colorado to put a new state on the board.

- Bruce Miller, Stroud, Oklahoma
- Stan Ward, Haskell, Oklahoma
- Leanne Ward, Haskell, Oklahoma
- Rolland Guild, Piedmont, Oklahoma
- Jim Campbell, Haskell, Oklahoma
- Lee Campbell, Haskell, Oklahoma
- Jay Grubb, Purcell, Oklahoma
- Kip Christian, Colorado Springs, Colorado

Cash For Casey does it again! We received this win photo from Ronna Pauley, Bill Conley's daughter. This was the third start for the two year old gelding, and his second win. He also has one place to his credit making him the Leading 2 Year Old Gelding according to the Appaloosa Journal. The above race was an Appaloosa Allowance Race held on May 31st at Remington Park.

Cash For Casey is sired by *Takin In The Cash*, and out of *Kisses For Casey*. Congratulations!

Welcome To The Ranks!

Robert Redding of Tulsa joined Sooner ApHC earlier this spring. A few weeks back, he sent us this picture of his stallion, *Ima Smart Dual* (at left).

According to ApHC records, this 2005 stallion is sired by *Duals Cow Smart* (AQHA by *Dual Pep*), and out of *Paulas Poco Siemon*, a great granddaughter of *Nugget Jim*.

Maybe we'll see *Ima Smart Dual* in next years list of stallions participating in the Super Stallion Stakes!

There's Always Next Year

Sooner member Tanner Chronister, (above) grandson of Sooner members Jim and Donna Chronister, gave it his best at the Jr High School Rodeo Semi-Finals, the weekend of May 31st. While he didn't make it to the finals, it certainly looks like he put on a pretty good show.

Thanks to Donna Chronister for sharing this with us.

Condolences To The Sullivans

Sooner member Debbie Sullivan sadly reports that on June 2nd, they lost the smallest of the twin fillies when she broke her knee. She was so fragile that when she went to get up and nurse, the knee just gave way. They had no choice but to give up and put her down.

We ran the above picture in the last newsletter announcing the twins. At right is a picture taken after Duane and Debbie lost little "Calico Girl." Duane is just visible in the background. Debbie says that the mare, not knowing why the other one disappeared, has become much more protective of the remaining filly.

Tell Me About The Rabbits

Dedra Tiger has sent word that her granddaughter, Katelynn, is now the proud owner of some spotted show rabbits. Dedra has promised us a more complete story which we hope to insert a little later on in this issue.

We understand that Katelynn and her rabbits have done very well during the very short time she has had them and been showing them.

Editor's note: I started off with one rabbit picture to go along with this note, but before I finished, they took to multiplying, and I ended up with at least a half dozen of them on the page!

Before And After

Dar Arrowood, Sooner member from Michigan's Upper Peninsula, sent us a few pictures to let us know that they've been very busy with a few projects around the place. They put in a new driveway to the other side of the river property which is the 'before' and 'after' pictures above.

Dredging out their artesian stock pond (left) was also accomplished, then they hand caught 100 trout to restock it.

On the right, they also did some nice landscaping around one of the run in areas. It's looking really good!

One Huge Joke Was On Marian!

Photos by Karen Marr

Don and Karen Marr decided weeks in advance they'd play a good trick on Jerry and Marian when they brought their last Forty One JJ filly to Claremore, Oklahoma. Karen told "the Okies" Don wouldn't be able to make the trip, but her cousin was coming with her to help her drive. When they arrived at Claremore, Marian was the first one to step up in the trailer to look at the filly and only glanced at the "cousin" as she stepped up; then reached to shake hands with him for introduction. IT WAS DON in "disguise" with dark glasses, a cigar (he doesn't smoke) and an "outback" hat on! Jerry was already laughing outside the door as he recognized Don first.

As you can guess, the four had plenty of laughs and a good visit including their trip to Editor Gerry's place in Oktaha, Oklahoma to deliver the JJ filly after she spent the night with Phyllis Hustace and daughter, Valerie, at their place; then made a stop at Ingersoll Ranch to meet Joleta.

COOL

Pictures From Indiana

Don (above) and Karen (right) Marr, Sooner members from Scottsburg, Indiana, sent these pictures from late winter and early spring.

Karen wrote on the back of the above picture, "You might be a Redneck if you have a big fire and roast marshmallows and go sledding down the dam when it's 20° and lots of snow."

Karen, sporting a new sweatshirt alongside a new friend (above), said that they had a ball, and that she would have had more pictures, but her camera froze up.

The scene on the left is a March snowfall in their backyard.

We had a nice visit with Don and Karen when they were here in Oklahoma to drop off "Gracie" at Editor Gerry's place, Diamond Run Farm. As always, there wasn't enough time to show them everything. Don and Karen ride along with Marian Alton and Jerry Crouch in Jerry's truck, heading north on Hwy 69 on their way back to Claremore, Oklahoma. (above, right) Hopefully, they will stop by again when they get the chance!

"CUCK-KOO! CUCK-KOO!! CUCK-KOO!!!"

"YAKITY YAK!
YAK!
YAK!"

"YAKITY,
YAKITY,
YAKI!"

The ages old saying, "A little bird told me!" has really applied to your editor and his assistant causing many laughs during phone conversations.

Editor Gerry has a cuckoo clock with an unbelievable smart bird who seems over-active when Sooner News is discussed via phone. Yep! This bird announces loud and clear exactly what it thinks of this pair!

An Itsy Bitsy Spider

When your editor set up the top half of this page, he printed out a sample just to see how it would look in print. Something he does as a routine. If the page weren't funny enough already, imagine how surprised he was when the print out included a smashed spider that had apparently taken up residence inside the printer since its last use.

Streaks on some printed pages occur when a toner cartridge has started to wear out, or if the waste toner reservoir on the cartridge is full. However, this is the first time your editor can remember a printed page having a streak on it due to a squished spider!

Look Out, Here Comes 2010!

Marian Alton is looking forward to some "Stelen" babies next spring. She reports that editor Gerry's ApHC mare, "Chelsea" is vet checked in foal to Bugs J Man. "Chelsea", daughter of World Champion ApHC Pleasure Horse, Hot Chocolate Chip, is out of "Ashley," dam of Gerry's 2009 colored filly by Ziprageous AQHA. Gerry's older mare, Easy Clipper, appears to be open, however.

New member, Rolland Guild's ApHC granddaughter of AQHA Dash For Cash is vet checked in foal to Bugs J Man. She's a great granddaughter of Easy Jet and Go Man Go. Her Appaloosa dam traces to Norells Little Red through J And B's Spotted Fawn.

The Colley family's Wapiti/Joker B bred mare appears to be in foal to Bugs J Man. (see last issue)

The Alton/Crouch black ApHC mare, Zevis Patti Dance is vet checked in foal to “Stelen.” Before a severe hind leg injury in 2007, she was setting in 3rd place in the nation for four year old race mares. Her Appaloosa sire, Zevis Scooter Bug has been a leading race sire.

Marian’s favorite Appaloosa mare, loud colored with star, 3 socks, snowcap, slate blue roan, Hands Macha Reyna, appears in foal also. She’s Hands Up, Navajo Britches, Cricket Bars Appaloosa lines with AQHA lines of Mr Duplicate, Johnny Bull, etc., and five generations back is the black mare Marian’s parents gave her when she was eleven!

Other Sooner members’ mares in foal to “Stelen” are the Bates’ AQHA “Angel” and the Holdens’ ApHC “Sugar” who are mentioned in the Alton ad in last issue. The Bates have also sent us something for this issue, which is included on a following page.

The Alton/Crouch ApHC colored mare, Lightning Kat, kept her owners anxious a couple of weeks due to the finding of twins on one side! Vet checks have brought the news of only one baby remaining. “Mama Kat,” 1/2 sister to ApHC Bugs J Man, is out of an AQHA daughter of Pacific Bailey who is out of a Bar Money daughter. “Kat” is in foal to AQHA Mai Kai owned by Sooner member, Joleta Ingersoll-Spurlock.

Birthday Boy! Lookin’ Good At 25!

As told by Marian Alton

Sooner members, Perry and Irene Whipple of Neosho, MO will be surprised to see these recent photos of “Rooster” sent to Marian by owners, the Scheub family of Ohio. Marian, breeder of “Rooster,” owned his dam by Hands Up, and her dam, an imported black TB mare. “Rooster’s” sire was ApHC Champion runner, Mighty Chick Deck—more Hands Up breeding.

At one point, “Rooster” was owned by Sooner members, Jim and Miriam Lovell; then later was again back home on Alton Farm and was Jerry Crouch’s trail mount.

Before that, Perry and Irene Whipple, had raised a fine colored “Rooster” daughter and still have her and her colored 2008 son by the Whipple’s Rangerbred stallion ApHC Alias Kings Double.

Scheubs have owned Rooster nine years, and he’s been loved and spoiled from the day he arrived in Ohio and found his own new stall, etc. At Christmas he wore his own beautiful wreath ‘neck tie’ to match the one over his stall door. Though race bred, he never wanted to run and made a safe, laid back mount for the three Scheub daughters.

However, the Rooster story can’t be told without mentioning a most shocking trail ride incident that happened many years ago at Mohawk Park in Tulsa during a Sooner Club Play Day. My favorite person to ‘torture’ about ApHC Hands Up, Jim Chronister, was riding “Rooster” and when the groups got ahead of Jim, Rooster decided it was time to catch up and argued with Jim as to how fast they’d catch up—and bucked Jim off!

While it wasn’t funny at the time, a couple of days later when Jim was only sore, but no bones broken, was back in stride, his comment was, “Aw, that’s all those ol’ Hands Up horses are good for is to buck!”

“Hello”
to
Perry & Irene Whipple

Note: I had that loaded comment coming, but maybe just maybe — “Rooster” thought he’d help ‘torture’ Chronister ... Good ol’ Rooster! Thanks to Deb Scheub for sending photos and most of all, for loving and keeping a special 4-legged family member from Oklahoma. MA

Your Editor And “Cheney”

Your editor got a big surprise when his win picture, taken at last year’s Appaloosa Reichert Celebration, turned up in one of the Reichert ads for this year. The ad appeared on page 53 of the June issue of the Appaloosa Journal.

The Bates Of Big Cabin Breed Their Quarter Mare To “Stelen”

Kim and Robert Bates, who recently joined Sooner ApHC, bred their 8 year old Quarter Horse mare, Skip With Angels (“Angel”) to Jerry Crouch and Marian Alton’s stallion, Bugs J Man.

Kim says, “We are REALLY looking forward to this baby coming, and I hope so much for a black baby with a blanket on his butt. She should foal in mid March of 2010.”

“Our breeding experience with Jerry, Marian and Joleta was as good as it gets. Everything went as smooth as you could want, and “Angel” settled the first time out.”

Get Well Wishes

Sooner member, Larry Colley, of Terlton, Oklahoma, ran into some bad luck recently. Larry is currently recovering from a broken wrist. Larry is right handed, and since it was his left wrist, it didn’t stop him from taking on a new painting job.

Sooner Goes International?

In this issue, we bring you news from around the world, literally. We started sharing articles and photos with the Sundance 500 International organization, and for this issue, they sent us an article from Spain. We thought it interesting enough to give it its own page a little later on in this issue.

Review Upcoming Show Information

We ran information on upcoming shows in the last issue, and have repeated them again in this issue, for the benefit of those members, who are like your editor, and have a tendency to misplace things, and for those who may have just joined Sooner ApHC.

We’ve included showbills for the Appaloosa Reichert Celebration, August 7, 8, 9, and for the Oklahoma State Fair, September 25, & 26. The Oklahoma State Fair in Oklahoma City is where the inaugural running of our Sooner Super Stallion Stakes classes will be held!

We want your trip to and from Oklahoma to be as pleasant and hassle free as possible, so please be sure to check with your veterinarian before leaving or returning.

Election Results

It was a tough choice for ApHC members residing in Territory IV, and especially hard for members of Sooner ApHC. Both candidates were Sooner members! Many wished they could have elected both. As it turned out, Sharon Marshall was elected as the newest Director from Territory IV, beating Debby Letham by a mere 7 votes! ApHC members from Oklahoma, Texas, Louisiana, Alabama and Florida, all part of Territory IV, voted in this election.

We'd like to thank Debby Letham for her many years of service as a Director from Territory IV, and best wishes to Sharon Marshall as she takes over the position.

Are You Ready For The Appaloosa Reichert Celebration?

Sooner Models

Larry Colley's wife, Lori, called Marian Alton before June and asked if Marian could think up a comical leopard Appaloosa Father's Day design for a t-shirt surprise for Larry. What Lori didn't know was there would be a belated comical leopard Mother's Day design accompanying it! Lori did the iron on work, and the Colley kids managed to keep it all a secret.

The Colorful Colleys Add More Color

Sooner members, Larry Colley and cousin Randy Wolfe, made a 3 AM trip to Missouri in June and brought back four colored Appaloosa mares from Dixon. These mares are Wapiti, Joker B, Mighty Bright, Hands Up, Prince Plaudit, Money Creeks Rockledge, Patchy, etc., Appaloosa breeding with some good AQHA and TB breeding a few generations back.

We want Editor Gerry to know the loud colored mare at right in the photo was bred and born in Illinois. Two different buyers had wanted the big mare at left of photo but couldn't load her! Larry and Randy had the four loaded in an hour and were home in Terlton, Oklahoma by 1 PM—11 hours round trip.

Marian adds: "I had to think about this awhile, but alas! It's too good to keep quiet about—Jim Chronister will have a laugh and a fast comment when he reads that the big mare that wouldn't load till Larry came along is 2 times Hands Up bred! We believe she just waited to come to Oklahoma to be with kinfolk and help pester Jim. Ha!"

Campbell's Filly

Sooner members, Jim and Lee Campbell, who own AQHA Separate Rainbow AAA, have a Quarter filly, JL Separate Check, that ran 3rd in his first race.

Campbells are proud of ApHC Streaking Rainbow, bred by John Diedeker, owned by Angie Jones who trains for Sooner members, Jim and Miriam Lovell. Streaking Rainbow, a two year old ran second after running third in his previous race.

July / August 2009

The World Keeps Getting Smaller

Sooner members, The Colley Family, were thrilled to see the red leopard stallion in Dar Arrowood's report on the Minnesota Horse Council three day event in the last issue of Sooner News. The stallion is the sire of the Colley mare, War Red Eaglefeather. The Colleys were also pleased to find a photo of Rebels Soquili, black leopard sire of two Colley mares in a news item elsewhere. He's now in Switzerland! It's always a small world full of good surprises!

Anyone Hear From The Boldings?

We were hoping to have a picture of the last colt we reported on in the new foals section in the last issue, but have been unable to contact the Boldings from Arkansas after several phone call, email, and regular postal mail attempts. We hope there have been no health, weather, etc. problems for the Boldings. We would still like to run a picture of the colt if the Boldings can be contacted.

Condolences

Sooner member, Martha Swartz, lost her two aged palomino champions this spring plus an ApHC Bugs J Man colt out of her AQHA mare, "Molly," and a month later lost "Molly" to foal founder after a hard battle to save her. Martha and Marian had a tough time over this loss as "Molly" was a replacement daughter of the AQHA mare, Atrail, now 22 and one of the last Bugs Alive In 75 daughters.

Rumor Has it

Rumor has it that your editor may be adding another mare to his 'line up.' If so, you'll get to read all about it in the next issue.

Alton Art Anytime

Our Sooner Newsletter Artist, Marian Alton, will be making some of her art available through Zazzle. The art, featuring Appaloosas, of course, will be available on a variety of items, and will be unique to those items. For more information, check out Marian's ad in this issue.

Turn The Page For Reichert Info

The Appaloosa Reichert Celebration is almost upon us. While we ran some of this information in the last issue, we are repeating it here for those who are new to Sooner ApHC, or have lost or misplaced their previous issue.

We have a couple of unique donated awards for a couple of classes. We don't have a photo of the lazy susan with Appaloosas on it, but do have some sample pictures of the colored pencil drawings, which will be made of your horse. These will be in addition to the great awards the Reichert folks already offer at this show.

Volunteers to help at the show will also be welcome!

Special Awards

Donated by artist

Esther Clair

1 colored pencil drawing of your horse will be awarded to the winner of a class to be determined at the Appaloosa Reichert Celebration, and 1 black and white drawing of your horse will be awarded to the winner of a second class to be determined as well.

1,312 Thank You's

To Don and Karen Marx for every mile, round trip, from Scottsburg, Indiana to Claremore, Oklahoma and back home again!

The reason for this trip? Here is a photo story of an elegant, highly bred, colored, baby filly who is the last Forty One J filly bred by the Marxs who saw to it Editor Gerry, and Marian Alton were "tortured" to the point of no return and couldn't resist owning this most special, much loved filly. "The partners in crime" now happily co-own "Gracie" and agree her registered name will hopefully be Karen's choice, JIS Prissy Miss. She is big, about 3/4 TB, has a fabulous laid back disposition, and an excess of pride to accompany unbelievable floating action. She will be handled by and at home with Gerry Lukacik, Oktaba, Oklahoma.

The above photos were taken on the day she was foaled. Don and Karen's daughter, Debbie, who from day one, helped handle and care for the mare and foal is accepted as family (above left). How could anyone resist this little girl? We couldn't (above right).

“Gracie,” two weeks old at left, and one month old above.

Three months old with Debbie (left) and (above, left to right) Editor Gerry, Gracie at 4 1/2 months, and Karen, on June 5, 2009—arrival in Oktaha, Oklahoma.

Sire: ApHC Forty One JJ (SI 98, earned \$65,450)

Starbuck Leopard descendant, plus AQHA Some Kinda Man SI 105, etc.

Dam: Party Miss (TB) (Earned \$43,166)

Descendant of Damascus, Nijinsky, Buckpasser, Northern Dancer, Princequillo, Tom Rolfe, Tom Fool, Swaps, and Dr Fager.

Jerry Crouch took a lot of razzing from Marrs, Marian and Gerry about Editor Gerry and assistant acquiring another Appaloosa, but Jerry was impressed with “Gracie’s” laid back disposition and class and had to admit he’s looking forward to her future and sometime in the years ahead, breeding her to Bugs J Man a.k.a “Stelen.” Meanwhile, Gerry and Gracie will head for the shows.

Larry Colley and “Stelen” stand on Butterfield Stage trail.

Gloria, Leo Leo, and Shannon at Glen Rose, TX after his first high score award

Article by Gloria Beduhn, Leo Leo's owner

This is the story of how Leo Leo went from being a Tennessee hillbilly to a show ring star.

In 2007, I retired and decided to look for a young horse to be my old age companion. All my other horses are 13 on up. I've been involved with dressage at a fairly low level since 1975 and wanted a horse that I could show a little if the urge struck. So I started searching the horse for sale internet sites for a young dressage prospect in my price range and found this really cute appy gelding in Tennessee. I already had an older leopard app gelding that was doing some Second Level work, so the color of the young horse on line appealed to me

Here's Leo's history as I understand it. His breeder was trying to re-create the Royal Bavarian Cream horses, which were apparently used for state affairs and parades in the 18th and 19th centuries in Germany. He had an odd mix of mares. One of the mares, Leo's dam, was described only as "roan mare." I can't find any information on the sire. Leo was left pretty much alone in a 200-acre pasture in the Tennessee foothills until he was 2. He obviously wasn't a Royal Cream candidate!

His owner eventually ran out of cash and had to sell everything. Leo was slated for an auction. At that point, Sharon Winkler, a local dressage rider who knew of this situation, bought Leo and another colt. The two colts went to a round pen trainer to learn some manners, and then Sharon and her daughter started them on flat work. Sharon says they "knew Leo was special." After about a year they put him up for sale on the internet, which is when I found him. I saw several videos and decided to buy him without a personal visit, which is something I don't recommend. However, this time everything worked out.

After I purchased him and had him shipped to Texas, I registered him with the ApHC under the hardship clause. I came up with "Leo Leo" for his name because the name he came with (Leonardo) was taken. Leo Leo fits him better because he is a real clown and "Leonardo" was too formal!

Leo Leo is competing against warmbloods, thoroughbreds, and many other breeds that, as breeds, have a strong aptitude for dressage.

Leo is 36th out of 130+ horses nationwide in the USDF Horse of the Year Training Level standings. That doesn't sound fantastic, but that is out of the hundreds of Training Level horses showing across the U.S.

Since I'm in my 60s and out of shape, I asked my friend Shannon Napier to ride him for me while I coached her. After a year of work and schooling shows, we decided he was doing so well we should try showing him at some USDF/USEF shows in 2009. With help from local trainer Julie Madriguera, he has achieved a pretty spectacular show record. At the six recognized and three schooling shows he's been to this year, he's won all but two classes (placed second in those two) and won every high-score award he was eligible for except one, where he was reserve. He is currently in 4th place in the USDF Amateur Training Level standings and in 1st place in Dressage in the ApHC ACAAP program. He would be leading the USDF All-Breeds Award for the ApHC, but for some reason he hasn't been marked as "eligible" by the ApHC. I'm looking into that. Also, at his first USDF/USEF show, Leo qualified for the Region 9 dressage championships to be held in Katy, Texas, this October.

We are all very proud of Leo, and hope to show him at First Level this fall. Until then, my bank account and the Texas heat have put a hold on showing this summer.

Leo has proven that he's capable of competing with any breed. He has developed a small fan club at each of the shows he's been to -- he's hard to miss!

Again, thanks for your interest in Leo.

-- Gloria Beduhn

In Shawnee, Oklahoma, Leo Leo and Shannon were awarded the Bob Pape Memorial Trophy. This award goes to the highest scoring amateur horse at any level.

Gloria shared this picture of Leo relaxing at the Glen Rose, TX, show. Is he looking at those great looking blue ribbons? No, I think he's checking for treats!

Carol Johnson shares a few thoughts below, as well as a few You Tube Links where you can see Leo Leo in action:

Leo certainly caught our attention in Shawnee and Claremore since several of our Green Country Dressage members are riding Appaloosas. We were thrilled to see this talented young Appaloosa doing so well. In addition to the pictures shared in this article, you can see video of this talented young horse at the following links:

What a treat! Thanks, Gloria!

We like to showcase as many different disciplines in Sooner News as humanly possible. If you see an Appaloosa participating in an event that we haven't covered recently, or have yet to cover at all, we ask that you try and make contact with the owner, and ask if they'd like to write a short story about their Appaloosa, and what event their mount excels in. A Sooner connection is great too! Also ask if they will provide pictures. Great stories, like the one above, are best when shared with other members!

SPECIAL DELIVERY!!!

Jerry Crouch and Marian Alton got to see her the day before when she arrived from Indiana. Don and Karen Marr bred and raised her for the first few months of her life. They kidded Marian and me about "Gracie" being Marian's and my filly. In reality, they weren't kidding. They said they were coming and bringing Gracie along, from Scottsburg, Indiana, to Claremore, Oklahoma, where "Gracie" would spend the night before arriving in Oktaha the next morning.

Was I excited about her arrival? Well, only to the point of driving through my hay fields to where they end and Highway 69 begins! There I sat, and waited, for Jerry and Marian's truck and trailer to roll by before getting off the exit a mile south. Don and Karen rode along, not only to see "Gracie" off to her new home, but also to visit with the two fillies I got from them last fall.

"Gracie" was eager to check out her new surroundings, and not too overly concerned about our wishes to get good pictures, but we managed to get in a few anyway. From left to right, Marian Alton, Jerry Crouch, Don Marr and Karen Marr are pictured with "Gracie" shortly after stepping off of the trailer.

Later, "Gracie" did a few laps around her new turnout area, while her half sisters, "Dottie" and "Roxie" look on. All three are sired by Forty One JJ.

Don and Karen Marr of Scottsburg, Indiana for allowing Marian Alton and myself to co-own "Gracie."

We really appreciate how far you went out of your way to bring "Gracie" to Oklahoma!

If you do NOT receive a receipt/verification of entry/confirmation from OSF (mailed to you prior to the show), you may not have completed the online process, and the entries may not have been relayed to OSF accordingly. OSF will not be held responsible for incomplete/unconfirmed online entries. Late/Post entries fees may be applicable to unconfirmed or incomplete online entries.

Rule 3 – LATE & POST ENTRIES: Animals must be entered with all requested documentation and fees as noted herein at the Horse Show Office no later than 6:00 p.m. on the day preceding the first intended class as scheduled. (See fee specifications.) Exhibitors are obligated to pay all applicable fees once entry is submitted regardless of whether the actual equine entry eventually arrives and/or competes. See Rule 1 for fees and deadlines applicable to "Late" and "Post" entries.

Rule 4 – All entries MUST include true, current and **recorded** owner's complete name as indicated on the equine's current breed association registration certificate if applicable, and the **owner's complete mailing address and social security number MUST be legible on the entry form**. No entry will be accepted without this information and full payment of all applicable fees. Both sides/all pages of each entry form must be complete and submitted to the OSF Horse Show office with all other requested documentation/fees as noted herein. An entry submitted without the signature and W-9 page(s) of entry form may be considered invalid and subject to the additional late fee penalties.

Rule 5 – All entries (except for the Draft Horse Overload Pull competition entries or Draft Horse Show multiple hitch class entries) MUST include a legible copy of the equine's breed association/registration certificate verifying current and correct gender and ownership. ENTRIES must be made in the name of the current recorded owner **as indicated on the registration certificate** and as on file with the related breed registry/association.

Rule 6 – It is the exhibitor's responsibility to be aware of the current membership requirements for the breed show being entered and to provide the correct and current information with regard to the animal's description, gender and ownership. Copies of illegible or inaccurate registration papers or membership cards may cause invalid or unacceptable entries and possible forfeiture of entry into the OSF or specific class(es). All entries MUST include copies of the necessary membership cards for all involved breed/registry/discipline associations/organizations and for all individuals associated with each horse (as required by the related association). If legible copies of all necessary membership cards are not submitted with the original entries, additional fees may be assessed for association memberships as required. There will be an additional \$5.00 processing fee charged by and payable to the Oklahoma State Fair® for any memberships or membership related documents submitted at the show. Submission of entries into Youth, Amateur, Non-Pro or Novice classes, without copies of necessary membership cards, may cause entry to be excluded from those classes and subject to additional late fees if all necessary documentation is submitted.

Rule 7 – A separate entry form is required for each horse/pony and each breed/show. Do NOT enter a specific horse/pony on more than one entry form per breed/show/event or under more than one (1) ownership/entity.

Rule 8 – At the discretion of the management, classes may be combined or cancelled if there are less than three (3) participants for a class. Classes will not be added to the show schedule/roster after the initial date of close of entries. Exhibitors enter their horses based on the specific classes listed and offered herein. Entries will NOT be cancelled or refunded after receipt without official and documented cancellation forms as noted herein.

Rule 9 – The age of any rider/handler entering any age-restricted class will be computed as of January 1 of the current year unless otherwise specified by the governing breed association or affiliate.

Rule 10 – No rider or handler may ride/handle/exhibit/present more than one horse in any class, except when otherwise noted. In the event of multiple entries in individual work classes, it is the exhibitor's, trainer's or agent's responsibility to insure that the office is aware of the correct rider for each horse and that the applicable membership cards be presented to the office well prior to the class as scheduled.

Rule 11 – Exhibitors submit entries with the distinct understanding that their horses must be brought to the designated arena for judging at the request of the superintendent, announcer, paddock manager or gate person. Any exhibitor refusing, when requested to do so, by a designated official or otherwise disobeying the rules in this premium list will not only forfeit any premium money previously won, but may be required to remove their horses from the show grounds within six (6) hours after such refusal or may be barred from further/future showing at the Oklahoma State Fair®. It is the exhibitor's responsibility to be present and ready to enter the arena for each properly entered and paid class. Classes missed due to lack of attention or preparedness, inadequate entry process or for any other reason cannot be re-run, refunded or substituted. An exhibitor should not rely strictly on gate/class calls or possible announcements on the PA system, and a non-functioning PA system cannot be blamed for missed classes. Riders/handlers/trainers and owners entering the show ring and participating in a class in which said horse is NOT duly and properly entered may result in disqualification and may be subject to penalty and censure by the Oklahoma State Fair®. It is the responsibility of the rider/handler/trainer/owner to be aware of each and all classes your horse is properly entered in. Do not enter the arena unless you are sure your horse is/was duly entered in that class in a timely and complete manner.

Rule 12 – NO ENTRY WILL BE ACCEPTED OR EXHIBITOR'S PASSES, ETC., ISSUED UNLESS ENTRY FORMS ARE COMPLETED IN THEIR ENTIRETY (ALL PAGES) AND ALL APPLICABLE FEES ARE PAID IN ADVANCE. Entries with remaining unpaid balances may be subject to additional penalties and/or censure. Unpaid balances may be deducted from any prize money that may be due.

Rule 13 - Entry into any of the OSF events/shows automatically authorizes the use of any photographs, videos, audios, cable-casts or other likenesses, procured while in attendance, of any individual or group associated with any equine/animal so entered or involved in competition or exhibition at the Oklahoma State Fair® or State Fair Park.

SECTION 3 - SUBSTITUTIONS/POST ENTRIES/CLASS ADDITIONS/CHANGES

Rule 1 – For equine already properly entered prior to 8-15-2008, classes can be **added** after the deadlines noted herein for the entry fee per class plus an additional fee of \$10.00 per class and must be submitted in writing to the OSF Horse Show Office no later than 6:00 p.m. on the day prior to the scheduled time for the "new" class. (Classes cannot be added via phone calls, e-mail or fax.) Class **substitutions** may be accepted, with the proper documentation, no later than the

start of a class scheduled to be at least five classes prior to the originally entered class with a \$10.00 per class substitution fee and any additional balance/difference in entry fee for the newly entered/substituted class.

Rule 2 – Late and/or Post entries for horses NOT already entered prior to initial entry deadline will be accepted in accordance with the guidelines and applicable fees as noted in the previous section relating to Late/Post Entries. Nursing foals less than six (6) months of age accompanied by their negative tested and documented dams are exempt from test requirements. The laboratory conducting the test must be approved by APHIS, USDA. Both aforementioned documents must clearly identify the animal(s) listed and be presented upon arrival and before the animals can be admitted to the grounds or unloaded from the transport vehicles. (Do not mail these documents with your entries – they MUST accompany your horse/pony upon arrival.) **Any horse/pony arriving without the above defined documentation will not be allowed entrance onto the grounds or into the barns.**

Rule 2 – For questions regarding current and exact health documentation requirements, contact the Oklahoma Department of Agriculture, Animal Industry Services (405) 522-6141.

SECTION 5 – ARRIVAL/STABLING/DEPARTURE/MAINTENANCE INFORMATION (SUBJECT TO REVISION)

Rule 1 – Horse must **arrive through gate 7** via the Portland Avenue entrance **ONLY**. You may park behind/between the barns long enough to unload your animals and tack, then you must move your vehicles through Gate 8 and follow the signs to the designated parking areas. Traffic will move one-way only behind and between the barns. Horses will be presented to the designated officials for review of aforementioned documentation and possible inspection as may be deemed necessary. Please be aware of the arrival and departure times pertinent to the show you are entering and arrange your travel so that your horses arrive between the hours of 6:00 a.m. to 11:00 p.m. Animals cannot arrive or be unloaded or stalled without presentation to the Health Inspectors or designated officials. If you are unable to arrive at the OSF within the hours noted herein, please make arrangements in advance to either board your horses at an off-site location/stable or contact the Show Office with sufficient advance notice to allow for other possible arrangements. The exhibitor will be responsible for any fees/costs that may be associated with arrivals outside of the standard gate hours noted above. For your protection it is necessary that ALL horses exiting the show grounds be accompanied by specific Horse Release cards issued from the Horse Show Office during horse show office hours. These release cards can be obtained after the completion of the last class each horse is entered in and as long as the owner's/exhibitor's account does not have an outstanding balance. When you are released, drive your vehicle down the perimeter road behind the barns and come back in Gate 7 to load your animals and exit. Only animals exhibiting in or assisting with the OSF Horse Show can be stalled on the OSF grounds.

Rule 2 – Parking A vehicle permit will be provided to each horse exhibitor as necessary. Such permit shall be valid for the period indicated therein. The permit must be visibly displayed inside the front windshield. Vehicles carrying a valid permit will be admitted to the livestock/equine area through Gate 7 via the Portland Avenue entrance **ONLY** and then allowed to proceed to the barn area. **NO PARKING** will be allowed inside the fence or in the areas immediately surrounding any of the horse show barns unless otherwise noted. All vehicles must be moved through Gate 8 (Livestock Exit) to the designated parking areas as soon as your horses and tack have been unloaded. Parking is limited and

exhibitors are recommended to bring the minimum number of necessary vehicles on the grounds. **Due to construction issues, arrival, stalling and parking information may be subject to revision. Please look for updated information at www.okstatefair.com**

Rule 3 – Stalls will be pre-assigned on a per horse basis, and it is mandatory that horses be placed only in stalls as assigned and paid for in advance. Verify your stall assignment with the Horse Show Office or your event secretary/manager BEFORE unloading your horse or utilizing a stall. **Horses CANNOT be maintained in parking lots or tied to trailers or outside of designated barns.** Stall availability dates/times are posted under each breed/event sections. Please recognize that these date/time restrictions have been established to allow for the preparation and availability of stalls for each breed/show. Exhibitors will not be able to access their stalls prior to the specified dates/times unless early arrival dates and requests are submitted with original entries received by 8-15-2008. All possible efforts will be made to have your stalls placed in a location within proximity to the arena you will be showing in, and we will make all possible efforts to stable you with any other individuals/stables/groups as requested and indicated on the entry form in the area so specified. To ensure that your group is assigned adjacent stalls, it is necessary that entries be submitted to the OSF together in one envelope. Stabling for horses only needing and paying for one day single stall use may be stabled in a separate location from other horses stabled for duration of show. Exhibitors needing only single day stalls will not be allowed to bring the horses on the grounds prior to the day of competition and must depart with the horse following competition on the same day. Horses being placed in stalls not assigned or using stalls not paid for in advance may cause expulsion from the stalls or show grounds OR additional fee assessment for additional stall fees/charges. Tack stalls may be requested and will be rented at the same rate as horse stalls and are based on first come/first served availability. Stalls are mandatory for each horse entered, with fees paid accordingly. A mare with her own suckling foal may be contained in one stall. All other horse entries must pay for and be assigned an individual stall for each. Stall fees will be applicable for each breed show/event and horses entering more than one specific breed/show will be obligated for stall fees for each show.

Any form of penetrating nail, staples, tacks, screws, wire, or fasteners, etc., as well as permanent tape, adhesives, glues, paints or other markers/marketing materials is prohibited. Any damage or alteration to stalls caused by the use of any of these types of items will be charged to the exhibitors and may be cause for expulsion from the show/grounds.

Rule 4 – All horses will be under the care and supervision of their owners and/or designated agents. The OSF Show Management will not tolerate acts of inhumanity, cruelty, abuse or neglect. Any individual being negligent in healthy and standard equine management and care, or inflicting excessive punishment, pain, torment or abuse to any animal at the OSF will be subject to immediate expulsion, cancellation of entries, premium refusal and/or criminal charges if applicable.

Rule 5 – Animal Waste Disposal Requirements at State Fair Park: (1) Transfer animal waste from stall to polycarts. (2) Immediately remediate any spills of animal waste occurring during transfer process and place all spilled animal waste into said bins. Polycart/waste containers should be returned to original location in center aisles for scheduled pickup/emptying. Exhibitors are required to keep their stalls and alleys and aisle ways clean, neat and unobstructed. Horses can only be washed/bathed in designated wash racks and not in stalls, walkways, streets or any other non-designated areas.

Rule 6 – The dimensions of the show arena are: Barn/Arena # 6: 120' x 250'. The footing is dirt (sandy loam). Suitable indoor stalls with doors will be used.

All electrical cords must be Underwriters Approved (UA). The use of electric, open flame or space heaters and/or air conditioning units is prohibited. Cooking or any heat/flame food preparation is not allowed in the barn area.

Rule 9 – Any competitor wishing to set up any form of display or decoration that would extend into an aisle or that would cover the "ceiling" of any stall in any way should first consult with the guidelines determined by Oklahoma City Fire Marshall. This information can be obtained by contacting the Oklahoma State Fair®, Horse Show Office.

Rule 2 – Premiums/prize money will be made payable to the RECORDED owner of each horse (or) PAYEE as indicated on the entry form and mailed to the address as provided on the entry form. Premiums/prize money will not be issued without a current year W-9 form completed for the individual to be paid premiums, included with the original entry. It is the exhibitor’s responsibility to insure that the OSF is in possession of a current year, valid, correct and legible W-9 form. Checks for premiums will not be processed or mailed without that document, and OSF will not be responsible for obtaining same. Exhibitors should expect 30 days or more after the close of the OSF for premium checks to be mailed.

Premiums/prize money will NOT be mailed to any exhibitors with balances due on their accounts or having submitted dishonored checks to OSF. OSF reserves the right to deduct balances due from any earned prize money/premium prior to the processing of the check or distribution thereof. It will be the responsibility of the exhibitor/owner(s) and/or their agents to insure that all fees are paid in full prior to the entered horse show/event. Exhibitors with account balances attached to a particular horse/entry will not be allowed entry into the show arena for competition.

Rule 3 – Within 90 days from the last day of the 2008 Oklahoma State Fair®, it is the responsibility of the Payee to file, in writing, a claim for lost or incorrect premium awards.

Rule 4 – Any discrepancies in the amounts of premium checks made payable by Oklahoma State Fair® must be presented in writing to the OSF Horse Show Division within two weeks following the date on the premium check. No claims for error after that date can be considered or honored. **Exception:** Futurity premiums/payment. The responsible party should bring discrepancies to the attention of the Futurity chairperson/representative from each breed club for interpretation.

Rule 5 – Please be aware that some breed associations do not allow the payment of prize money to certain classes. OSF will follow the guidelines mandated by any breed association with instructions regarding eligible classes.

Rule 6 – OKLAHOMA STATE FAIR® WILL NOT AWARD PRIZE MONEY/PREMIUMS TO CLASSES NOT REQUIRING PAYMENT OF SPECIFIC CLASS ENTRY FEES made directly to OKLAHOMA STATE FAIR®. Any prize monies that may be awarded for placings in the Feedyard/Ranch Sorting competition and the 4-D Jackpot Barrel Race competition will be paid directly by the organizers of those events.

Rule 7 – In addition to applicable premiums (prize money), ribbons will be awarded as indicated within each breed/show specifications.

SECTION 10 – FEES

Rule 1 – See each breed/show/event section for specific class entry fees, stall fees, etc.

SECTION 11 – EXHIBITOR’S TICKETS/PASSES (For exhibitors in Appaloosa, POA, Draft Horse Overload Pull and/or Draft Horse, Gypsy Horse and Gypsy Vanner Horse Shows/classes.)

Rule 1 – It is mandatory that each owner purchase one (and only one) Exhibitor’s Admission pack for \$20.00. This will consist of two (2) booklets of four (4) tickets to be used by 2 individuals for admission. Booklets cannot be separated and must be presented in entirety upon arrival at the gate. There is a limit of one “Exhibitor’s Admission pack” per ownership/entity. Any additional admissions may be accommodated by purchasing an Oklahoma State Fair® Season Pass for \$23.00, which allows one individual admission for all 11 days, the duration of the Oklahoma State Fair®; OR additional single day admission tickets, which can be ordered and paid for with original entries submitted no later than 9-1-2008 for \$7.00 for adult exhibitors or \$4.00 for children 6-11. Discount Adult/Child Gate Tickets must be purchased by Sept. 1 in order to be processed with entries. After Sept. 1 discount tickets are available at Oklahoma State Fair® retail partner outlets, Tickets.com and the State Fair Box Office. After Sept. 10, all gate tickets will be full price. See www.okstatefair.com for more information. **Exception: Entrants in Feedyard/Ranch Sorting; OK Harness Horse Expo classes, and 4-D Jackpot Barrel Race contests. See Rules pertinent to those events with regard to admission requirements/tickets.**

SECTION 12 – CLASS SCHEDULES/GATE CALLS

Rule 1 – Management reserves the right to rearrange, cancel and/or combine classes if necessary to compensate for insufficient or excessive entries or time shortages. Individual work classes subject to specified work order draw. All exhibitors will work in the order drawn and designated. Exhibitors not at the gate to work in their designated draw order will not be allowed to work in that class. Work or draw order may be revised to allow for single exhibitor/multiple horse work convenience. It is the responsibility of the exhibitor to be sure that his/her animal is at the gate at the appropriate time. Every effort will be made to maintain a working public address system to provide class calls, etc; however, no protest will be upheld nor will any section or class/schedule be changed on the basis of public address system malfunction. The two-minute limit for gates will be strictly enforced. The gate will close two minutes after the first animal enters the ring or in cases with large classes taking more than two minutes, at the completion of final animal in a continuous string of animals.

SECTION 13 – BACK NUMBERS/EXHIBITOR NUMBERS

Rule 1 – Each horse/team/hitch will be assigned individual numbers. Numbers provided by the Oklahoma State Fair® Horse Show Dept. **MUST** be worn/displayed by each entry to allow entrance in any given class and in accordance with any breed specific rules regarding back numbers. Numbers for multiple horse hitch/driving classes will be assigned based on owner/entry information. Numbers will be assigned per show/per discipline/per event. Horses being entered in more than one breed specific show will need to use the specific number assigned for that show. Not displaying correct numbers may result in disqualification and/or failure to be awarded correct awards, points and/or premiums. **Exhibitors are requested, with consideration to our valued host hotel: The Clarion Hotel, Oklahoma City, to use and display the Oklahoma State Fair® specific numbers provided by the OSF show management.**

SECTION 14 – Exhibitor Conduct

Rule 1 – Exhibitors are hereby notified that any act of discourtesy, disobedience or disrespect by them, their riders, drivers, grooms, trainers and/or agents to the Judges, Stewards, Announcers, or any other Show Official or Staff shall cause the forfeiture of all premium money won and that they may be asked to leave the show grounds. Horse Show Management shall have full power to act in issuing a ruling in such cases and may deny participation in future Oklahoma State Fair® Horse Shows.

SOONER SUPER STALLION STAKES

For many years it was common to have a stallion service auction for every club, every year. These programs were popular with both the stallion owner and foal owner. With the downturn in the economy, mare owners are choosing not to breed as many of their mares. Stallion owners are still being asked to donate breedings thereby taking money out of their pockets and resulting in fewer paid breedings per year. Other regional clubs have changed their programs and asked the stallion owner to donate up to \$250 per year to make their foal crop eligible. Both ideas are reliant on the stallion owner to make the most financial contribution.

Mission of the Program

To enable stallion owners to utilize a marketing program for their stallions and foals while maintaining paid breeding numbers.

Rules

1. Stallion owner must be an SAHC member each year the stallion is nominated.
2. ApHC and approved outcross stallions are nominated by February 28 of the 2009 breeding year for no charge. Stallions may be nominated from March 1 to June 1 for a \$200 fee to be utilized in the SAHC general fund or for prizes in the future futurities.
3. All show-eligible ApHC foals from the nominated breeding season are eligible for the stakes classes.
(2008 crop for 2009 yearlings and 2009 crop for weanlings.)

4. Stakes classes are:

Weanling Halter – Fillies, Colts and Geldings Show Together

Yearling Halter – Fillies, Colts and Geldings Show Together

Yearling Hunter In Hand – All Sexes Show Together

Yearling Longeline – All Sexes Show Together

Most Colorful – Weanlings and Yearlings Show Together

5. Entry fee is \$75 per class entered paid 30 days prior to the day of the show. This date will be set each year and published in the SAHC newsletter and on this web site.
6. Late class entries will be accepted the day of the show for \$125 per entry.
7. Payback checks will be mailed within 4 weeks of the show.
8. Checks returned for any reason, including insufficient funds, will forfeit any winnings.

9. 80% of the class entry fees are jackpotted in each class.
20% to be retained by SAHC for expenses.

10. Foal owner and Exhibitor must be members of SAHC on the day of the show. Memberships may be purchased at the show, if necessary.

11. There are no minimum number of entries for the classes to run. Stakes classes to run concurrently with regular classes if possible. Show to be held in the fall at a date to be determined and published in the SAHC newsletter and on this web site.

12. Payback Schedule: (80% of the entry money to be jackpotted)

1 entry	100%					
2 entries	60%	40%				
3 entries	50%	30%	20%			
4 entries	40%	30%	20%	10%		
5 entries	35%	25%	20%	12%	8%	
6 entries	35%	25%	20%	10%	5%	5%
or more

GREETINGS FROM

SPAIN!

The following article was sent to us by the Sundance 500 International folks, as we share an occasional article between us. The article was authored by Tracey Parker from Spain. We did not get the registered name of her horse before going to print, but hope to have that for the next issue. We thought everyone would enjoy reading this.

Hey All

Despite cantering the first two kilometers with his 5th leg (!) very proudly on show, therefore expending most of his energy, and despite breaking his bridle and Francisco coming to the rescue with his shoelace to fix it, and despite losing his boots 3 times so I eventually took them off (bloody crap screws) Heart completed (with me very proudly on his back) his first 45 kilometer Endurance Race today. The winner finished in 3 hours 7 minutes. We finished in 3 hours 23 minutes. Bloody fine going if I may say so.

I was looking to finish in 3 hours 40 minutes and still be proud of that achievement. The fact that we did it in less having to go completely barefoot for the last 15 kilometers and Heart being a typical excited teenager at his first disco, therefore wasting all his energy on calling at any and everything (it's a stallion thing!) makes it even more notable.

Francisco was also very much the star of the day. The 'crew' had to drive 21 kms to arrive where we would be after only 8 kms for an assistance point (no dismounting but can give horse and you water), then return that 21 kms plus 5 to reach the point for second assistance when we had done 19 kms (confused yet?). Then he had to be back at base for the end of the first phase to help de-tack, cool off and pass the Vet Gate. Then nearly the same all over again for the second phase. All this and he had to draw water from a well at each point in order to be prepared for our arrival. Being Francisco he drew water for everyone - he don't dare complain to me tomorrow when his back is giving him problems.

I have rubbed the inside of one knee raw on I don't know what and extracted two splinters from the same leg that passed through my chaps and jods to get there! My back is screaming at me to take up something more 'genteel', but not on your nelly I say.

The biggest TV channel of Andalucia, CanalSur, filmed the event and did a one-on-one interview with me about my spotty pony and going barefoot. They want to dedicate an entire program to us on their weekly horse slot!

After the first phase, providing you pass the Vet Gate successfully, you have a 30 minute obligatory rest before you can continue. At this Vet Gate the vet asked that Heart return 10 minutes before we were due to leave for the second phase because his gut sounds weren't 100%. Of course she (the vet) doesn't know my horse like I do and wouldn't believe it when I told her it's hunger you hear! It made me laugh. Sure enough, after 20 minutes of chomping hay and eating/drinking very watery sugar beet with electrolytes his stomach sounds were perfectly fine. Silly woman, but she wasn't to know!

Finally at home, everyone scrubbed up, fed and put to bed, showered and PJ's on (us not the horses), pooped beyond belief. Francisco now making bacon and fried egg banjos. What a star!

Many thanks to the Sundance 500 International folks for making this article available to us! <http://sundance500.homestead.com/>

From Lori Colley:

Back in May I called Marian Alton about painting a picture for Larry as a surprise Fathers Day gift. We discussed it and decided to do a funny horse head saying. When it arrived, I was surprised that she went ahead and made one for me as well. It was so unexpected!

Thank You, Marian Alton!

ApHC Director's Report

Dear Appaloosa friends,

One of the promises I made during the ApHC Board of Directors election was to keep everybody up to date on the decisions and positions of the ApHC.

On July 3-5, the ApHC BOD met during the National Championship at Jackson, MS. The highlights of this meeting were:

1. **Novice Non-Pro Program** - The program will become Novice by class on January 1, 2010. Essentially, this means if you have less than 15 points in any Non-Pro class (all divisions of Non-Pro combined), you will be eligible to show in the novice division in that specific class.
2. **ApHC Stallion Service Sale** - held during the World Championship Show Oct. 23-31. The sale is now open to AQHA stallions with the same proviso as the Appaloosa stallions (must have won a Medallion/World/National/AQHA Congress or have sired a winner of the above). Members may bid on the stallions via internet during the World Show. If you have a stallion that you would like to offer, please call me at 405-590-1147 asap.
3. A revised contract was offered to Steve Taylor, ApHC CEO.
4. A proposal to allow youth to show up to 2 horses in individual run events was passed and will be up for a 2nd vote in March with the expected start date to be Jan. 1, 2011.
5. There continues to be international expansion of the Appaloosa horses. The ApHC has received applications from Panama and the Gulf States (Dubai) for international affiliates.
6. A number of advertising opportunities are being made available: ApHC website banner ads (continuously rotating advertising banner on the ApHC home page), Jumbotron at the World Show with continuously running advertising and advertising space in the World Sale Program. Please contact me for more information on any of these advertising opportunities.
7. A number of rules changes will be going into effect on January 1, 2010. All changes will be in bold print in the 2010 rule book. These changes affect English classes, 2 year old Western Pleasure, 2 year old Hunter Under Saddle, Hunter In Hand, Longline, Working Cowhorse and Western Riding.
8. The "Innocent Third Party" rule which deals with horses that have incorrect parentage via DNA parentage verification. This rule is somewhat involved, but I would be happy to explain it.

In response to the AQHA allowing excessive white marked horses (including Appaloosa coat pattern) to be AQHA registered, the BOD has voted to allow on a CASE-BY-CASE basis DNA parentage verified AQHA horses to be eligible for ApHC registration. This is a petition to the ApHC registrar. The AQHA parentage verified horses with appaloosa characteristics will be eligible for use as breeding stock without ApHC registration.

I would like to extend the invitation to EVERY Appaloosa enthusiast, ApHC member or not, to call or email me with your views and constructive comments.

"Sullivan Sweeps Horse Show Honors" Coweta American - June 10, 2009

~ Used with permission ~

When it comes to riding on horseback, one of the best in the business is Kaylee Sullivan of Coweta.

Sullivan, 17, participated in the 2009 Northwest District 4-H Horse Show held May 9 at the Claremore expo Center in Claremore. She won a host of awards in all seven events and qualified for the State 4-H Horse Show planned for June 18–20 in Shawnee

She will compete in Halter (Mares 5 years and under), Showmanship (ages 15–19), English/Hunter Under Saddle, English/Hunt Seat Equitation, Trail, Western Pleasure/Horsemanship and Reining.

At the district level it was Sullivan's first time to compete in the English events.

Sullivan has participated in the 4-H program for nine years. She rides a 4 year old Appaloosa named Silky.

She trained her own horse up until two months ago when horse trainer Shari Goff began helping her prepare for the district competition.

That training paid off and the Coweta teen is looking forward to even more success at the state level.

Sullivan will be a senior this fall at Coweta High School where she is a member of the National Honor Society and participates in both band and color guard.

The award winning rider is the daughter of Faron and Sandy Sullivan and the granddaughter of Bob and Lavern Cole of Coweta and Duane and Debbie Sullivan of Mounds.

Spotted Rabbits Bring Home Hardware

Submitted by Dedra Tiger

This picture of Katelynn Sokolowski and her Lilac doe (left), VK'S FV8 (Lovey), shows the bond between a girl and her prize winning rabbit. On May 23, 2009, Katie and her grandma, Dedra Tiger, took 4 rabbits to the Muskogee 4-H Rabbit Club's double show in Muskogee, OK. Because Lilacs and English Spots are rare in NE Oklahoma, Katie competed with her rabbits in their respective classes. Only one other Lilac doe was in attendance, but Katie didn't let the small class numbers keep her from doing her best at her first show.

Of course, first show disorganization helped Grandma forget the camera. As this was her first show, the rabbits' grooming left something to be desired. But Katie and Grandma learned lots and had a wonderful time, meeting new people from all over this region. The judges and other show staff noticed Katie and her good sportsmanship during the Best of Show classes. Even though Katie's rabbits didn't win, Katie clapped and congratulated the winners. Showing in a Sooner ApHC show gave her skills to handle the competition with grace and resolve. Katelynn came away vowing to make a better run at Best of Show in her next outing.

As we were packing up to leave, one of the show staff handed Dedra a plastic bag and asked that it be taken to the car. A few minutes later, another mysterious bag appeared with the same instructions. The bags, given by 2 different judges with agreement of show staff, were given to encourage Katie and reward her positive sportsmanship.

After we were in the car and on the way home, Katie was talking about her performance at the next show and how we learned new methods to make our rabbits more competitive. It was then that Grandma told her about the bags behind the driver's seat. When Katie opened them, they each contained 2 little golden rabbit trophies for Best of Breed (BOB) and Best Opposite Sex (BOS), for a total of 4 little gold rabbits. Katie was truly surprised and thrilled to have some little gold rabbits for our mantle.

Our thanks goes out to Sooner ApHC for helping Katelynn learn how to compete in a first show, have fun meeting new people and exhibit good sportsmanship. We also want to thank the Muskogee 4-H Rabbit Club show staff for being so nice and encouraging at our first show.

We invite everyone to check out <http://www.kss-rabbitry.com>, the KSS Rabbitry web site. In addition to individual rabbit pages, there are some interesting articles in the "About Rabbit" section. Grandma was especially interested in the rabbit genetics article. Please feel free to sign the guestbook so Katie will know you visited her site.

The Tiger Web

Welcome to my studio in Haskell, Oklahoma! My training as a commercial artist has been converted to use of the latest web tools, instead of pencil and paper. Each site I design is hand coded to your specifications, making your project the most important one in the house. You deserve the best value for your dollar.

What makes a great web site? I believe that a clean, uncluttered design coupled with fast loading pages and easy navigation are the main components of a great site. If your visitors have to wait on your site to load or get lost going from page to page, they will leave. Any component that is distracting or annoying will drive a visitor away. My goal is to keep visitors, your potential clients, on your site and insure they will return. Because of this approach, I have a list of loyal clients that continues to grow with each passing year.

There are special rates for horse clubs, breeding farms and other equine concerns. As Vice President of the Sooner Appaloosa Horse Club and a former small horse breeding farm partner, I truly understand the need for high quality equine marketing on a tight budget.
