Oklahoma Appaloosa Racing Results

Blue Ribbon Downs, Sallisaw, Oklahoma, November 7, 2008

Rascals Contender

The fourth race on the Friday, Nov. 7th program at Blue Ribbon Downs was the lone Paint and Appaloosa performance of the day, as a field of seven distance runners came to the post entered for the claiming price of \$10,000. After a sharp break from post-position four, Rascals Contender and rider John Lejeune were faced with a split second decision: Rush up to take the lead to save ground, or drop back behind the leaders in order to drop over toward the rail. As the field made their short run into the turn, John Lejeune guided the five-year-old gelding toward the rail, and then at the top of the stretch, unleashed the best stride from Rascals Contender and the duo sailed home to a half length victory. Making his twenty fourth career start, Rascals Contender picked up win number three for his career and his fourth finish inside the top three, with earnings totaling over \$15,000. A son of Title Contender, Rascals Contender is owned by Kathy and Terry Richard from Bokoshe, Terry also is the trainer of record for the gelding, and was guided to victory with a well-timed ride from John Lejeune as the duo covered 870 yards in 47.74 seconds.

Stakes racing action took place at Blue Ribbon Downs for the third race on the Saturday, Nov. 8th card, with a field of seven sent to the post for the 2nd running of the \$26,900 Talimena Handicap for three-year-old Paint and Appaloosa's. After a sharp break from post-position five, G I Jana closed with a tremendous amount of speed to pull off the 23-1 upset victory over Friendly Cash and the heavily favored Sm Country Snowman, who was seeking his eighth consecutive victory. Picking up her second consecutive victory, G I Jana has five lifetime victories and nine finishes inside the top three in thirteen career starts. At Blue Ribbon Downs, the filly has enjoyed a tremendous amount of success for her owner Jana Harrison from Stonewall, starting seven times and picking up four victories and one runner up finish amassing some \$33,000 of her over \$46,000 in total earnings at the Sallisaw track. Trained by Luis Villafranco from Wapanucka, who also conditioned the runner-up Friendly Cash, and guided to victory by Berkley Packer, G I Jana, a three-year-old daughter of Brisco County Jr, covered 350 yards over a fast track in blazing 17.82 through a crosswind; giving the filly a speed index of 91.

Recalling a different time

This ad (right) originally ran in a 1976 issue of the Appaloosa News.

Appaloosa racing in Illinois only lasted for a short period of time. I was still relatively new to the world of horses, and the Appaloosa, during this point in time. I bought my first horse in 1974. Before I really had a chance to get seriously involved in much of anything horse related, Appaloosa racing had already disappeared from my home state. With two race bred yearling fillies at home in my adopted state, I now hope to enjoy what I missed those many years ago. *Editor*

FOALS OF 2009

We are planning on running our annual new foals section in the next issue. We would like to include as many of your new foals as possible. While we know there will always be a few late arrivals, we would like all foal photos to be submitted by May 15, if at all possible. Sire and dam, and barn name will be appreciated as well. We realize not all of them will have registered names at the time of submission, so a 'barn name' will be OK. Email photos and information to glukacik@msn.com. We know our members like to show them off, so here's your chance!

The Tiger Web

Welcome to my studio in Coweta, Oklahoma! My training as a commercial artist has been converted to use of the latest web tools, instead of pencil and paper. Each site I design is hand coded to your specifications, making your project the most important one in the house. You deserve the best value for your dollar.

What makes a great web site? I believe that a clean, uncluttered design coupled with fast loading pages and easy navigation are the main components of a great site. If your visitors have to wait on your site to load or get lost going from page to page, they will leave. Any component that is distracting or annoying will drive a visitor away. My goal is to keep visitors, your potential clients, on your site and insure they will return. Because of this approach, I have a list of loyal clients that continues to grow with each passing year.

There are special rates for horse clubs, breeding farms and other equine concerns. As Vice President of the Sooner Appaloosa Horse Club and a former small horse breeding farm partner, I truly understand the need for high quality equine marketing on a tight budget.
